

Recruiters

More than 235 recruiters visit the HEC campus annually. Many of these are based at La Défense, which is one of the largest European business districts and houses the headquarters of many multinational companies. These nearby international firms interact as partners with HEC Paris and as potential recruiters.

"The HEC MBA is one of our core target schools, as we encourage integrating and developing the best talent in our offices all over the world."

– Aurelie Lelievre, McKinsey & Company

"Infosys hires people who are powered by intellect and driven by values. InStep, our global internship program provides a platform for the best of minds to share the best of practices. HEC MBAs are a great fit for this competitive internship program because of their global outlook, intellectual prowess, and unflinching creative spirit."

– Bela Gupta from Infosys Technologies Ltd.
