

## EDUCATION FUND: INNOVATIVE FINANCING OF MBA-PROGRAMS

*„If someone believes in himself,  
has clear aims and great goals,  
is committed to the well-being of the community,  
and full of enthusiasm and persistent in his or her endeavours,  
his way into a great future should be wide open.”*

ONE'S STUDIES SHOULD NOT BE HINDERED BY FINANCIAL HURDLES

### What is the Education Fund?

- Innovative program which supports MBA students in financing cost of living, special costs as well as tuition fees for an MBA program.
- Only personal and academic qualification count for funding
- Flexible, income-contingent repayment

### Which presuppositions are required to finance an MBA by the Education Fund?

- Registration at an nationally or internationally well renown MBA-School
- The applicant is EU-citizen (for non EU-citizens loan guarantee is necessary). The applicant must also be able to speak and understand the German language.
- Successful application for the MBA program
- Selection by personal and academic qualification (capability and motivation)

### Which support can be expected?

- Funding of up to 100 % of tuition fees
- Monthly payments of cost of living (up to 1.000 Euro)
- Payment of special costs (up to 5.000 Euro)
- Contacts to firms and future employers: Support beyond financial funding

### What about the repayment conditions?

- Income-contingent repayment (with a pre-determined percentage of income)
- Repayment starts with successful job entry

### What are the main advantages for students?

- No financial hurdles. The favoured field of studies can be started
- Full concentration on a successful completion of the MBA-program
- Thanks to the income-contingent repayment you are not confronted with fixed debts nor fixed interest rates.
- None of the usual debt requirements are necessary: Only personal achievement counts: Capability and motivation are security enough. (No social selection!)
